

# **Jayoti Vidyapeeth Women's University, Jaipur**

## **Directorate of Research & Development**

### **Revised Research Information Bulletin-2016 (II)**

#### **1. Directorate of Research & Development**

The university has constituted a Directorate of Research & Development (DRD) for successfully conducting research and development activities.

#### **2. Objective**

The main objectives of the Directorate of Research & Development DRD are as follows-

1. To conduct Ph.D research programs in the University for all disciplines.
2. To organize and conduct seminar, workshop, symposium and conferences at state/national/international level.
3. Development of all faculty members through training and research projects.
4. To help the faculty members in submitting the research projects/proposals to the various state and national level funding agencies.
5. Publication of research papers, books, chapters in books and review papers etc.
6. Professional grooming of the faculty members for the role of supervisors, editors, reviewers and experts.
7. To make provisions for research and consultancy and for that purpose to enter into such arrangements with other institutions or bodies as the University may deem necessary.

#### **3. Categories of Research Scholars**

##### **a) Regular Research Scholar**

Regular Research Scholar shall mean a student selected for Ph.D program without any financial assistance and remains self financed throughout the program. The minimum duration of the program will be 3 years from the date of admission.

##### **b) External Research Scholar**

External Research Scholar shall mean a student selected for Ph.D program without any financial assistance and remains self financed on part time basis. The minimum duration of program will be 4 years from the date of admission.

##### **c) Research Scholar in Continuation**

- i. Applicable for all those who due to any circumstances have not been able to finish their Doctoral thesis.
- ii. The candidates who have passed the Ph.D. entrance exam and completed the course work previously will be exempted from entrance exam and course work; however such candidates have to study unmatched subjects.
- iii. It shall be necessary to obtain a No Objection Certificate (NOC) from the research supervisor of the previous University / Institution.
- iv. In all the cases the research scholar has to present entire research work carried out in front of the expert panel as suggested by the Directorate of Research & Development.
- v. The previous research work done by the candidate shall be exempted after recognition by the research supervisor under the credit transfer system.
