

"बेटी बचाओ, बेटी पढ़ाओ"

JAYOTI VIDYAPEETH WOMEN'S UNIVERSITY, JAIPUR
Faculty of Education & Methodology

Faculty Name : **JV'n Pooja Janghel, Assistant Professor**
Department Name : **Fine Arts Department**
Program Name : **B. Des**
Semester : **1st**
Course/Subject Name : **Basic Desgin**

Sr.No.	Course Outcome
1	Design Fundamentals: Students will develop a strong foundation in the fundamental principles of design, including line, shape, color, texture, and balance, as they apply to fashion.
2	Fashion Sketching: Students will acquire the ability to sketch fashion figures and clothing designs accurately and expressively, both by hand and using digital tools.
3	Understanding Fabrics and Materials: Students will become knowledgeable about various fabrics, materials, and their properties, enabling them to make informed design choices.
4	Pattern Making: Students will learn the basics of pattern making, including creating flat patterns and draping fabric on dress forms to develop garments.
5	Fashion Illustration: Students will develop the skill to illustrate their fashion design ideas, conveying the style, details, and overall concept of their creations.
6	Technical Drawing: Students will create technical drawings and specifications for their fashion designs, including measurements, construction details, and seam allowances.
7	Fashion History: Students will study the history of fashion, exploring key trends, styles, and influential designers from various eras.
8	Fashion Portfolio Development: Students will compile a professional portfolio showcasing their fashion design work, demonstrating their creative growth and design abilities.
9	Collaborative Projects: Students will have opportunities to collaborate with peers on fashion design projects, learning teamwork and creative problem-solving.
10	Sustainability and Ethics: Students will engage with issues of sustainability and ethics in the fashion industry, exploring eco-friendly materials, ethical production practices, and responsible design choices.
