

"बेटी बचाओ, बेटी पढ़ाओ"

JAYOTI VIDYAPEETH WOMEN'S UNIVERSITY, JAIPUR
Faculty of Education & Methodology

Faculty Name : **JV'n Pooja Janghel, Assistant Professor**
Department Name : **Fine Arts Department**
Program Name : **B. Des**
Semester : **1st**
Course/Subject Name : **Fashion Rendering**

Sr. No.	Course Outcome
1	Fashion Illustration Proficiency: Students will develop a strong proficiency in fashion illustration techniques, including the ability to accurately render clothing and accessories.
2	Anatomy and Proportions: Students will master the understanding of human anatomy and proportions, ensuring that their fashion figures are anatomically correct and well-proportioned.
3	Design Representation: Students will be able to effectively translate design ideas and concepts into detailed fashion renderings, demonstrating creativity and attention to detail.
4	Rendering Techniques: Students will learn a variety of rendering techniques, such as using different drawing materials (e.g., pencils, markers, watercolors) to create various textures and effects.
5	Fashion Trends and Styles: Students will stay up-to-date with current fashion trends and styles, incorporating contemporary elements into their fashion renderings.
6	Historical and Cultural References: Students will explore the historical and cultural influences on fashion, incorporating this knowledge into their design and rendering work.
7	Digital Fashion Rendering: Students will gain proficiency in digital fashion rendering, using software and digital tools to create fashion illustrations and design presentations.
8	Presentation Skills: Students will learn how to present their fashion renderings effectively, including creating portfolios, mood boards, and professional presentations for clients or employers.
9	Feedback and Critique: Students will actively participate in critique sessions, both giving and receiving constructive feedback to improve their fashion rendering skills.
10	Professional Development: For those interested in pursuing careers in the fashion industry, students will gain insights into the fashion business, including networking, branding, and marketing strategies.
