

JAYOTI VIDYAPEETH WOMEN'S UNIVERSITY, JAIPUR

International Student Cell

The affordable cost of living, fees structure, security and homely environment of the University attracts more and more International students to become a part of the University. The University has an international students cell namely **Foreign Students Monitoring Committee** since 2013 which focuses on the needs of international students of the University. Members of the cell act as a bridge between the students and the University. They help the University to understand the needs of International students and help the University to develop itself according to their needs. The committee performs the following functions:

- Maintaining and providing data to government authorities as per the rules of GOI.
- The committee gives them a brief about the social system, culture of India, about the Education pattern in the University to help them adapt the environment.
- The committee takes care of the diversified culture, beliefs, languages, tastes and sentiments of the students and monitors the behaviour and habits of the foreign students and tries to help them in attuning.
- The committee maintains proper medical records of each and every foreign student.
- The committee periodically updates the records of the foreign students in the police station.
- The committee takes care that the University gives notification in Hindi and English language as English is a common language written and spoken all over the world.
- The committee tries to indulge the students in the recreational activities and celebrates festivals of the foreign students along with the University students.
- The committee gives the details about food habits of the foreign students to the mess committee so that the mess committee plans the mess menu accordingly.
