and Ms.Sonam Sneha

ABSTRACT

The present investigation is related to an eco-natural pest/insect repellent comprising a mixture of plant extracts and animal product that repels insects and pests. The Krishak Mitra Herbal Pest/Insect Repellent works by the process such as repellency and paralysis and suffocation. The Krishak Mitra Herbal pest/insect repellent can be applied as a liquid spray on the plants or by adding into soil surrounding the plant and it will repel the pests and insects. The constituents are the combination of Neem (*Azadirachta indica*), Enermi (*Clerodendrum inerme*), Akra (*Calotropis procera*), Dhatura (*Datura stramonium*), Citronella (*Cymbopogon nardus*), Arjuna (*Terminalia arjuna*), Mint (*Mentha pulegium*), Cow Urine and Cow Dung.
