

“बेटी बचाओ, बेटी पढ़ाओ”

JAYOTI VIDYAPEETH WOMEN'S UNIVERSITY, JAIPUR
Faculty of Education & Methodology

Faculty Name : **JV'n Jaysshree Singh Deo**, Assistant Professor
Department Name : **Fine Arts**
Program Name : **BFA**
Semester : **3rd**
Course/Subject Name : **Study**

Sr.No.	Course Outcome
1	Art History Proficiency: Students will develop a strong understanding of the history of visual art, including major movements, artists, and key developments.
2	Visual Analysis Skills: Students will acquire the ability to critically analyze and interpret artworks, exploring elements such as composition, symbolism, and historical context.
3	Research and Writing: Students will learn to conduct research on various aspects of visual art and effectively communicate their findings through written assignments and presentations.
4	Cross-Cultural Perspective: Students will explore diverse artistic traditions from around the world, gaining an appreciation for the global significance of visual art.
5	Artistic Techniques and Materials: Students will become familiar with a range of artistic techniques and materials used in the creation of visual art, even if they are not actively creating art themselves.
6	Contemporary Art Trends: Students will stay updated on current trends and developments in contemporary art, allowing them to engage with the evolving art scene.
7	Museum and Gallery Skills: Students will develop the skills necessary to curate and organize art exhibitions, as well as understanding the role of museums and galleries in the art world.
8	Art Theory and Criticism: Students will engage with various art theories and critical perspectives, enabling them to analyze and discuss art in a scholarly manner.
9	Ethical and Cultural Considerations: Students will explore the ethical and cultural issues related to the art world, including topics such as cultural appropriation and art censorship.
10	Professional Development: For those interested in careers in the arts, students will gain knowledge about career opportunities, networking, and practical skills necessary for success in the field.
