A very Happy International Women's Day to all !!

Sucess Story on The Mark!!

The Hon'ble Chairperson Madam Vidushi Garg, Jayoti Vidyapeeth Women's University, Jaipur enlisted in Top 30 Women Entrepreneurs in 2018 in India and her success story published in "The CEO Magazine" in their March 2018 edition "30 Women Entrepreneurs to watch in 2018 in India" for her remarkable efforts towards upliftment of the status of women in the society.

From traveling to space to being the President of a country, women are playing a leading role in every sphere of life. Gone are the days when women only used to stay behind the doors and take care of family. Now they are running at the same pace as men, rather some are even going ahead of them. They are becoming business leaders, social reformers, and top-level government officials, and cooking food and taking care of family at the same time, and that's what makes women the leading players of the society.

To empower women to bring a change that will improve the lives of people in the society, what they primarily need is education, an education that will inspire them to live freely and empower themselves to bring the social change. To showcase such educators and institutes that are helping women achieve their dreams with education, The Knowledge Review Magazine-2018 came up with their latest edition, "The 10 Best Women's Education and Empowerment Institutes in India 2018" in which Jayoti Vidyapeeth Women's University marked its place in Top-10 Women Empowering institutes of India.

Jayoti Vidyapeeth Women's University aspires to become a leading center of excellence for Education, Research, Clinical Care and Training in Professional, Technical and Medical field to educate women in technically advanced disciplines to inculcate in them. This significant remark in such a well-known Magazine will put another stone to the glorious path of Women Empowerment.

बदलता वक्त

वक्त बदलते देखा है,
देश बदलते देखा है।
पर लोग बदल जाएंगे सोचा ना था,
मासूम बनेगी हैवानियत का शिकार
सोचा ना था।
बुराई के खिलाफ रहने वाले इंसान
में इतनी,
बुराइयां आ जाएंगी सोचा ना था।
खूब लड़ी मर्दानी वह तो झांसी की
रानी हो या,
भगत सिंह की कुर्बानी।
अहिंसा पर चलना हो या,
कुए के अंधेरे में मरना हो।
जलियांवाला बाग हो या,
दांडी माच हो,
इन्हें भूल जाएंगे यह सोचा ना था।
कहां गए वह देश के लिए मर मिटने
वाले,
खून की होली खेलने वाले,
नहीं कहा कि, शवों की धारा बहे।
बस इतना करें कि देश के लिए कुछ
करें,
वह देश जिसमें बच्चियों की जान
इतनी सस्ती ना हो,

वह देश जहां जात पात का भेदभाव
ना हो,
हर किसी की नजरों में हम एक हो।
वह एक "भारतीय" हो!!!!!!

INTERNATIONAL WOMEN'S DAY

From being The Princess at home to rolling the society like Queen, women have always been power of the nation . The international Women's Day is all about acknowledging women for their intense fights and struggles against the norms of society which do not let them Shine as they should. The 21 century women's occupy a Huge section in the Rising of the global economy women now a day's work at great position at different sectors of the population. The international Women's Day annually celebrated on 8th march was declared by the United Nation to secure the rights for the women and the empower women in the society. The first ever Women's Day was celebrated on 28 February, 19 in New York coma the 1910 internationals socialist women's conference suggest that woman they must be held annually. After women got infranchisement in Soviet Russia in 1917 , it was declared as a national holiday there. Initially celebrated mainly by the socialist movement and Communist countries, and was eventually adopted in 1975 by the United Nations.

However, in spit of obvious progress of women, there is still a lot to be done for the uplift and Liberation of women. The shocking incidents of women being brutalized shows still need to see the sunrise. Over government has launched many schemes for the upliftment of women, like beti Bachao beti padhao.

This is to ensure protection and survival of the girl child in the light of declining child sex ratio, sukanya Samridhi account, the government is taken efforts not only to save more and more girls but also to equally determined write them with better and economically secure future, one stop Centre scheme,

this is to offer women(even below 18 years of age) who have been struggling from exploitation, or any sort of abuse or misbehave , with medical support immediate response, physicogical assistant, pradhanmantri Ujwala Yojna, this is a step taken to keep every family fed and to provide every women with free LPG connection who are blow poverty line, mahila e Haat, this plan emphasize on empowering entrepreneurs, NGOs, self group and small producers, rajiv Gandhi National creche for children of working women,

it provide daycare facilities, improved nutrition, immunization facilities, sleeping facilities and set the stage for better physical, mental and social growth of children of working women, maternity benefits program, this is scheme is for the benefit of pregnant and lactating ladies in india and desires to provide proper care, practice and efficient utilization of government sponsored facilities como women's helpline it provides 24 hours to toll-free telephonic assistant to any women or girl facing violence in the public or private sphere of life.

No doubt that the population is changing their mind set towards women, diverse nation like India, where women are worshipped as goddess, it is difficult 4 people to cebu man standing there man ahead of them. I being a woman myself want each and every person to accept women as they are and as they want to be, and also want the people of the society to come up and contribute their bit in the empowerment women.....
