Feedback Analysis and Action Taken Report

2020-21

Feedback analysis and action taken report is a regular quality monitoring and quality assurance activity of the University. Feedback is collected every year and reports are analyzed. The recommendations are also reviewed, and appropriate actions are taken. In the year 2020-21 stakeholders' feedback was recorded on the basis of 9 questions and the general observations are:

- The courses sufficiently meet the industry's requirements.
- Through projects/ internships students are facilitated with more confidence.
- The Curriculum is effective in developing analytical and problem-solving skills.
- The curriculum include value added courses/ soft skill training/ domain specific electives for enhancing constructive learning.
- The design of the courses encourages / motivates extra learning or self-learning.
- Syllabus has sufficient content in enhancing entrepreneurship skills/ human values and ethics.
- The curriculum has the use of Innovative teaching methods (Group discussion, field exercises, role play & others)
- Course content is relevant as per the needs of current trends and latest technologies.
- The library has availability of sufficient reading material in the form of online and offline resources.
- Curriculum is upgraded as per the needs of the industry.

- The laboratories/ computer labs are equipped with latest software/ hardware/ technologies.
- There are ample facilities provided by the University in the form of an Innovation Centre, incubation center and other associated labs for conducting Research & Innovation

Suggestions:

- Courses like machine learning, Artificial intelligence, automation should be included.
- Enrichment of Online lecture, e-notes, e-videos provided by the teachers
- Skill development courses should be added.
- Keeping in view of the pandemic, alumni suggested providing more schemes to financially weaker students.
- Need for mentoring in curricular, co-curricular and personal aspects of students during their study period to improve their performance in identifying potential jobs and higher education prospects.
- Initiation of scholarships/endowments to support University's students.
- Inclusion of online resources in library
- Provision of more internship, On the job training, dissertations, filed work for the real-life exposure to the students
- Provide more ICT facilities for teaching.
- Improve the hostel facilities.

Feedback Analysis and Action Taken Report

Action Taken Report Academic Session 2020-21

On the basis of suggestions provided by the Alumni University implemented mentioned points:

- Teachers were suggested to enrich the University's Online portal Digital Version 2.0 with their latest lecture notes, e videos etc.
- The component of skill development is added to some courses.
- University started "**JV Philanthropic Initiatives**" to support the financially weaker students through which willing citizens including teachers, alumni and other stakeholders were welcomed to support and contribute for the noble cause of women education.
- Teachers were suggested to take online mentoring sessions to motivate them for overall development.
- Subscription of online journals
- Proposed inclusion of internship, field work, dissertation in the final and pre final year in the technical and nontechnical courses
- Proposed the purchase of new computers, smart boards, projectors to the Finance committee.
- Some blocks/ floors of the hostel were renovated and repaired as per the requirement of parents.
- New food items were added to the Canteen Menu as suggested by the parents and students.
- Include alumni to contribute their knowledge and skills through participation as resource person in conferences, seminars, guest lecture etc.
- Proposed to Involve industry partners as external members in various University committees.
